

Driving Hope

Help us roll into the future!

Based in Asheville, North Carolina, Shelter Dog Transport Alliance is an all-volunteer 501c3 nonprofit that has saved over 8,000 at-risk shelter animals by transporting them to welcoming rescue partners throughout the Northeast and Canada. Our transport services are free of charge to any county shelter in need of this life-saving outlet. Our primary mission is transporting animals to safety, however, we also provide our shelters with critical resources, such as: food, medical supplies, transportation to spay/neuter services; as well as facility improvements when needed. We can only deliver this support with a safe, reliable vehicle!

Since the start of this program, our van ("Big Honey") has served us well, but with close to 200,000 miles she is ready to hand off the baton to "Big Honey 2". Our animal loving community is vital to our mission and we feel your support in every mile we drive. Your belief in our vision of delivering second chances fuels our passion to save lives. Every donation, whether \$5 or \$5,000 will help take a life once neglected or deemed unworthy, and provide them with safety, dignity and a loving forever home. Thank you for your generosity, our shelter animals are counting on us!

We need your help to get a new van.
